TG World Files First Quarter 2010 Financial Documents

TG World Energy Corp. (TSX-V: TGE) ("TG World" or the "Company") today filed its Financial Statements and Management's Discussion & Analysis for the period ended March 31, 2010. These documents have been submitted to the applicable securities regulators in Canada and will be available under the Company's profile on SEDAR (www.sedar.com).

For the quarter end March 31, 2010, TG World has written down its petroleum and natural gas properties by \$22.0 million. The write-down reflects the unsuccessful drilling results announced on March 8, 2010, regarding the Sak River #1a exploration well in Alaska and the subsequent relinquishment of certain acreage in the Beechy Point Unit.

A copy of TG World's First Quarter Interim Report, an amalgamation of the Financial Statements and Management's Discussion & Analysis, can be accessed on the "Financial Statements" page of the Company's website at <http://www.tgworldenergy.com/financestate.html>.
